2023 Stamp Appeal - Firmly Planted: Agroforestry for Sustainability

Firmly Planted is a community-based agroforestry initiative with the ambition of making a sustainable impact across Malawi, Zambia and Zimbabwe. It is spearheaded by our partners in the Church of Central Africa Presbyterian (CCAP), and built around the church's community structures. The initiative will resource individual groups to respond to the various challenges affecting Malawi today.

Agroforestry presents an opportunity to address challenges of food insecurity, deforestation, climate change and youth unemployment. Tree nurseries create employment opportunities, fruit trees improve nutrition and wider tree planting helps mitigate the impact of the climate crisis, in turn improving agricultural productivity.

Firmly Planted will provide community-based training tailored to the community's needs, ensuring woodlots are well maintained to have the greatest chance to thrive. The programme, through effective distribution, looks to attain large-scale tree planting of locally relevant woodlots – these could be linked to schools, churches, clinics and community groups. Having already established a pilot tree nursery, CCAP is looking to replicate this across the Synods by implementing Central Tree Nursery Hubs allowing each nursery to grow tree seedlings based on the needs of their communities.

This year stamp appeal proceeds will go towards establishing the tree nurseries.

We haven't been given the Project details for 2024 yet.

If you would you like to provide Flowers for the Sanctuary, please write your name beside your chosen date. After the Service the flowers are distributed to the ill, housebound and bereaved, or alternatively you might like to donate to the Flower Fund – there is a box at each door – to finance Sundays when flowers are not being provided by members. See Alison Jackson for more details.
