ANNAN OLD – Ongoing Appeals

Stamp Appeal. Project 2025 -2026 Support of the Al Ahli Arab Hospital in Gaza.

The Al Ahli Arab Hospital in Northern Gaza has been in operation since 1882. It is owned and run today by the Anglican Diocese of Jerusalem, a partner Church of the Church of Scotland. The hospital is the only Christian hospital in the Gaza Strip and Gaza's only cancer hospital. It normally handles around 300 surgeries and 600 radiological and a total of 3,000 outpatient visits per month. It is supported by international charities such as Embrace the Middle East. In times of calm during the occupation of Gaza, Al Ahli Hospital runs as any normal hospital with varying departments and an Accident and Emergency dealing with the usual day to day ailments of a population.

Since the beginning of the conflict in Gaza in October 2023, the Al Ahli Anglican Hospital has conducted emergency operations 24 hours per day, operating on 30-35 people per day.

Despite all, and through all the bombing, the hospital continued to serve the population in whatever way they could with the small resources they had, with staff working hours under difficult conditions. The team at the Al Ahli hospital continue to schedule its staff to ensure that the hospital is accessible 24 hours a day. To enable the Ahli to respond to the increasing need at this time, there continues to be an urgent need of medications and other resources for emergency response.

The hospital has been significantly damaged by the war and will require substantial funding to ensure buildings are once again brought up to standard and there will also be the need for new medical infrastructure which has been damaged.

This hospital was badly damaged when bombed recently.

Perth Visitors Support and Advice Centre

The centre provides a welcoming, trauma- informed safe space for all families who visit HMP Perth. Our team supports each visitor to receive emotional and practical help, based on their need at that time. We link in closely with local churches who engage positively with the service.

- Remembering the family members who visit the Centre: may it be a place of sanctuary and hope.
- For the children who play in the Centre: may they feel safe, understood and hold positive memories of their visits as they grow older.
- Thanks for the churches that support the Centre throughout financial and practical means: may they know how important their contributions and belief in the families are.
- For staff at the Centre: may they feel encouraged and supported when meeting with families who may be experiencing trauma and loss.
- Thanks for the positive professional partnership CrossReach has with the Scottish Prison Service and other agencies.
- Remembering the Scottish Prison Service Officers as they care for prisoners in HMP Perth and for those who support visitors who come to meet with their loved ones.
- Remembering those in prison: may they feel a sense of peace and purpose as they serve their sentence.
