ANNAN OLD – Ongoing Appeals

Stamp Appeal. Project 2025 -2026 Support of the Al Ahli Arab Hospital in Gaza.

The Al Ahli Arab Hospital in Northern Gaza has been in operation since 1882. It is owned and run today by the Anglican Diocese of Jerusalem, a partner Church of the Church of Scotland. The hospital is the only Christian hospital in the Gaza Strip and Gaza's only cancer hospital. It normally handles around 300 surgeries and 600 radiological and a total of 3,000 outpatient visits per month. It is supported by international charities such as Embrace the Middle East. In times of calm during the occupation of Gaza, Al Ahli Hospital runs as any normal hospital with varying departments and an Accident and Emergency dealing with the usual day to day ailments of a population.

Since the beginning of the conflict in Gaza in October 2023, the Al Ahli Anglican Hospital has conducted emergency operations 24 hours per day, operating on 30-35 people per day.

Despite all, and through all the bombing, the hospital continued to serve the population in whatever way they could with the small resources they had, with staff working hours under difficult conditions. The team at the Al Ahli hospital continue to schedule its staff to ensure that the hospital is accessible 24 hours a day. To enable the Ahli to respond to the increasing need at this time, there continues to be an urgent need of medications and other resources for emergency response.

The hospital has been significantly damaged by the war and will require substantial funding to ensure buildings are once again brought up to standard and there will also be the need for new medical infrastructure which has been damaged.

This hospital was badly damaged when bombed recently.
